

Greetings Family Member

We are excited about the 13th Annual Family reunion. We pride ourselves in continuing the family values that our fore-fathers and fore-mothers instilled in us. We are a village - with each member enthusiastically accepting the responsibility to cultivate, nurture and support all of our children and each other.

Reunion Dates July 15 –17, 2016

We are planning a weekend full of fun and family fellowship. In order to properly prepare for the reunion and accommodate everyone we need to know how many family members will be attending our family reunion.
